

Dear colleague,

You receive this message as you have registered for the *3rd High Level Technical Consultation and Meeting on Surveillance of Antimicrobial Resistance and Use for Concerted Actions*, co-sponsored by the World Health Organization (WHO).

### Digital event 26-29 April, 2021

We are most excited to invite you to this digital event, which will take place on April 26-29, 2021. One outcome of the meeting will be an updated roadmap for the future development of GLASS, which will be shaped by the technical feedback provided by many of you and none the least our discussions during the meeting.

*The structure of the meeting is as follows:*

- **Monday April 26 13:00 – 16:00 CEST** Plenary sessions.
- **Tuesday April 27** Breakout sessions based on time zones – for country delegates, WHO Collaborating Centres Network and WHO. Exact times to be defined shortly.
- **Wednesday April 28** Stakeholder meeting – by separate invitation. Exact times to be defined shortly.
- **Thursday April 29 13:00 – 16:00 CEST** Plenary sessions.

Translation of the plenary sessions will be provided into French, Russian and Spanish. Detailed information on the meeting objectives and the technical documents can be found at [glass2020.org](https://glass2020.org).

### Thank you for the technical feedback!

We take this opportunity to thank those of you who have contributed to the feedback of the five GLASS technical documents, during the consultation period (October 2020 to March 2021). The results will be presented on the first day of the event and will shape the future of GLASS.

Further information will be shared with you on a weekly basis as we are approaching the meeting.

A very warm welcome!

The organisers
