

## WHO Pandemic Ethics & Policy Summit

### Equitable access, solidarity, and global health justice: Bridging the gap between ethics and decision making in pandemics

**Monday, 6 December 2021, 13:00 – 17:30 CEST**

#### Objectives:

- examine and reflect upon the role of ethics in policymaking during the COVID-19 pandemic;
- discuss models and examples of successes and failures of ethical translation into policymaking; and
- identify the steps we need to take to improve ethical uptake into public health decision making for pandemic preparedness and response.
