

1. At the end of paragraph 3, “.....United Nations General Assembly or the Economic and Social Council of the United Nations, if applicable.”, insert a footnote . “*in particular, ECOSOC Resolution 1996/31*”
2. Delete the sentence in paragraph 16 (b) and (d):  
“*There are no limits imposed on non-State actors’ participation at such meetings.*”
3. Paragraph 32 should add procedures of risk assessment.
4. Add a footnote in paragraph 33, to clarify, since decision makers for the general “engagement” and “establish official relations” are not the same.
5. Integrate paragraph 50 and paragraph 55, to avoid duplication, as:  
“*Non-State actors in official relations are international in membership and/or scope. All entities in official relations shall have a constitution or similar basic document, an established headquarters, a directing or governing body, an administrative structure, and a regularly updated entry in the WHO register of non-State actors.*”

Insert a footnote in the new paragraph 50, which is taken from A40.25,  
“*Before working relations are established between WHO and a national NGO, and before a programme of collaboration with such an organization is agreed, appropriate measures will be taken to consult the Government concerned in accordance with Article 71 of the WHO Constitution.*”

Then **delete** the rest of paragraph 55, since in paragraph 16 (a) there are already clear:  
“*Non-State actors’ participation is determined by the governing bodies’ respective rules of procedure, policies and practices*”

6. In paragraph 67, add “*engage in political activities*” at the end of the paragraph.
