

Textual proposals submitted by Denmark on the draft overarching Framework of engagement with non-state actors and the four specific policies contained in the annex of document EB136/5

Based on decision EB136(2) Framework of engagement with non-State actors Denmark would like to submit the following comment to the draft overarching framework of engagement with non-State actors:

With regard to para 44. Engagement with particular industries, Denmark does not support the request of some MS to include new specific industries in addition to the tobacco and arms industries.
