

Documento Generale – commenti in lingua italiana e inglese

- page 12 paragraph 11

At the end of paragraph 11 add after “like private sector entities”

“In case such commercial enterprises are fully state-owned their inclusion as private sector entities will be decided on a case-by-case evaluation”.

- page13 paragraph 14

At the end of paragraph 14 add :

“The Secretariat will submit to the Executive Board a document concerning criteria applied in such evaluation”.

- page 15 paragraph 22

At the end of paragraph 22 add the following bullet point:

“Member State may have access upon request to the full documentation related to each engagement with NSA and may ask WHO for clarification on the assessment”.

- page16 paragraph 32

In paragraph 32 (page 16) substitute in the third line the word “.....in parallel...” with “.....following the.....”

- page 20 paragraph 49

On paragraph 49 (page 20) at the second line we propose to delete the words “international business associations”

- page 21 paragraph 57

On paragraph 57 , last but one line, replace the word “six” with the word ““twelve”:

- page 25 paragraph 13

In paragraph 13 (page 25) 4th line: after the words “on their websites” add “only in web pages without commercial, promotional, marketing and advertisement purposes.”

- page 28 paragraph 9

Paragraph 9 (page 28) seems contradictory with para 8, therefore it should be redrafted.

- page 28 paragraph 13

Paragraph 13 (page 28) should start with the following wording

“Taking into account what provided for in paragraph 12”

- page 32 paragraph 29

Paragraph 29 (page 32) delete the words beginning with “If they could give... “ to the end of paragraph.

- page 19 paragraph 46

Paragraph 46 (page 19) should be modified as follows :

“WHO can accept secondments from Non State Actors provided that criteria of due diligence, risk assessment and risk management as contained in the overarching framework are rigorously applied”.
