

# Infection prevention and control for COVID-19 vaccinators

Ensure vaccine recipients clean hands frequently, wear a mask, and maintain physical distance of at least 1 metre

at least 1 metre

Always wear a **medical mask** throughout your shift (change when soiled, wet or damaged)

**Do not wear gloves**

Clean hands using **alcohol-based hand rub** between each recipient

Use new, **sterile syringes and needles** with mechanisms to prevent re-use and injury

Discard used syringes into a **sealed sharps container**
