## In Conversation Round Table Series

When: 8th September 2022

Time: 11 am- 1pm (UTC)

### **The Geneva Charter: Realising Societal Well-being**

The Centre for Health in All Policies Research Translation (CHiAPRT) and Health Promotion International are partnering with the World Health Organization to convene The Geneva Charter: Realising the Well-being Society Webinar.

The Geneva Charter for Well-being presents a significant change agenda and path forward to respond to the global social, health, environment and equity challenges facing society. Join the webinar discussion where internationally renown speakers will share their insights on how we can move to a Well-being Society. The webinar includes a panel discussion where panelist reflect on how countries are working to take these ideas forward.

We invite you to join the discussion. For more information on the session, please see below or contact [CHiAPRT@outlook.com](mailto:CHiAPRT@outlook.com).
