

“Realizing the potential of HIV and STI service integration: expert consensus building workshop”

ABOUT THE EVENT

This expert consensus building workshop will provide a platform to discuss the potential role of integration in improving outcomes for HIV and STIs within relevant service delivery platforms. Relevant opportunities for sustaining the HIV response will be discussed and participants will be asked to contribute to a summary statement on these issues and to agree key next steps in supporting this agenda.

DETAILS:  Date: **Mon Dec 4th 2023**

 Time: **1300hrs – 1700hrs**

 Venue: **Bronte Hotel**
