

HIGH-LEVEL EVENT

# GLOBAL DRIVE TO SCALE UP TB PREVENTION

Join us for a special high level event to discuss key actions needed at global and country level to scale up TB prevention strategies and progress towards achieving the 2022 UN High Level Meeting target on TB preventive treatment and reaching the missing people with TB.

Key speakers will include WHO Director-General Dr Tedros Adhanom Ghebreyesus and other senior WHO leadership, Health Ministers and high-level government representatives, Heads of Agencies, TB survivors, civil society and partners.

**16 JUNE 2021**

**14 H TO 17 H (CET)**
