

INFORMATION SESSION

Update on WHO Deliberate Event Preparedness and Response

10 December 2024 | 9:00–9:45 AM | Room V

Light breakfast will be provided.

SPEAKERS

Johnny Nehmé, WHO
Philip Bacchus, WHO
Sophie Allain-Ioos, WHO
Veronica Rovegno, WHO

MODERATOR

Nahoko Shindo, WHO

In light of the evolving global threat landscape, the World Health Organization (WHO) has been actively updating its preparedness and response plans for major biological deliberate events. This side event aims to provide updates on WHO activities to strengthen its capacity to detect, risk assess, respond and coordinate in case of major biological deliberate events.
