

Immunization, Vaccines and Biologicals

SAGE meeting of 4 - 6 November 2008

Declaration of Interests

All SAGE members were requested to update their declaration of interests form. Only one SAGE member reported any relevant interests as listed below:

Dr Georges Peter

Dr Peter reported serving on the meningococcal Advisory Board for GlaxoSmithKline for which he receives a limited amount of consultancy fees. The last meeting was in 2006. Currently he serves on a Safety Monitoring Board involving post-licensure safety assessment for RotaTeq™ and earlier served on the DSMB for an investigational H5N1 vaccine and for which he has received a small financial compensation from Merck & Co Inc. and Novavax Inc. respectively.
