The above-listed potency testing reagents for A(H5N1) vaccines have been developed with support from WHO CCs, ERLs and designated Influenza A(H5N1) developing institutes, and calibrated by the Essential Regulatory Laboratories (ERLs) that provide advice to WHO as part of the influenza vaccine virus selection and development process.

ERLs contact details for reagent orders and other information:

CBER/FDA: Galina.vodeiko@fda.hhs.gov

NIBSC: standards@nibsc.hpa.org.uk

For general enquiries, please contact GISN@who.int.
