REACHING ZERO

VIRTUAL FORUM ON MALARIA ELIMINATION TO MARK WORLD MALARIA DAY 2021

Despite the COVID-19 pandemic and other challenges, a growing number of countries are approaching – and achieving – malaria elimination. Ahead of World Malaria Day 2021, country leaders, frontline health workers and global partners will come together in a virtual forum to share experiences and reflections on efforts to reach the target of zero malaria. The event will be co-hosted by the World Health Organization (WHO) and the RBM Partnership to End Malaria.

DATE:
