

## **CORRIGENDA**

Comprehensive mental health action plan 2013–2030

ISBN 978-92-4-003102-9 (electronic version)

ISBN 978-92-4-003103-6 (print version)

### **Page v, lines 12–14**

Delete: This updated comprehensive mental health action plan, approved by the Seventy-fourth World Health Assembly, builds upon its predecessor, the Comprehensive Mental Health Action Plan 2013–2020, by including revised indicators and options for implementation as well as updated global targets.

Insert: This updated comprehensive mental health action plan, endorsed by the Seventy-fourth World Health Assembly in decision WHA74(14), builds upon its predecessor, the Comprehensive Mental Health Action Plan 2013–2020, by including revised indicators and options for implementation as well as updated global targets.

### **Page v, line 20**

Delete: Although the targets in this action plan are ambitious, WHO and its Member States remain committed to reaching them.

Insert: Although the targets in this action plan are ambitious, the WHO Secretariat and Member States remain committed to reaching them.

**Page 3, lines 2–4**

Delete:                   The economic consequences of these health losses are equally large: a recent study estimated that the cumulative global impact of mental disorders in terms of lost economic output will amount to US\$ 16.3 million between 2011 and 2030.<sup>1</sup>

Insert:                    The economic consequences of these health losses are equally large: a recent study estimated that the cumulative global impact of mental disorders in terms of lost economic output will amount to US\$ 16.3 trillion between 2011 and 2030.<sup>1</sup>
