

## List of Resolutions and Decisions with costing including 2024-2025

### Summary

Between 2017 and 2022, the World Health Assembly and the Executive Board approved twenty-nine resolutions and twenty-three decisions with implications for both implementation and costing in the biennium 2024–2025 under the base segment of the programme budget (total value of US\$ 1.75 billion). Proposed programme budget 2024-2025 dedicates a section to the Governing bodies resolutions and decisions guiding regional and headquarters priority-setting for the biennium 2024–2025 and this explainer sets out a list of resolutions and decision, which costings underlie Table 1 and Figure 9 of the Programme budget document.

Governing Body	Year	Document	Name
WHA	2017	WHA70(17)	Global action plan on the public health response to dementia
		WHA70(23)	The role of the health sector in the Strategic Approach to International Chemicals Management towards the 2020 goal and beyond
		WHA70.16	Global vector control response: an integrated approach for the control of vector-borne diseases
	2018	WHA71.2	Preparation for the third High-level Meeting of the General Assembly on the Prevention and Control of Non-communicable Diseases, to be held in 2018
		WHA71.4	Cholera prevention and control
		WHA71.6	WHO's global action plan on physical activity 2018–2030
		WHA71.8	Improving access to assistive technology
		WHA71.14	Rheumatic fever and rheumatic heart disease
	2019	WHA72(11)	Follow-up to the political declaration of the third high-level meeting of the General Assembly on the prevention and control of non-communicable diseases
		WHA72.4	Preparation for the high-level meeting of the United Nations General Assembly on universal health coverage
		WHA72.6	Global action on patient safety
		WHA72.7	Water, sanitation and hygiene in health care facilities
	2020	WHA73(12)	Decade of Healthy Ageing 2020–2030
		WHA73(28)	Global strategy on digital health
		WHA73(30)	Human resources for health
		WHA73(33)	Road map for neglected tropical diseases 2021–2030

## Proposed programme budget 2024-2025

		WHA73.2	Global strategy to accelerate the elimination of cervical cancer as a public health problem and its associated goals and targets for the period 2020–2030
		WHA73.3	Global strategy for tuberculosis research and innovation
		WHA73.4	Integrated people-centred eye care, including preventable vision impairment and blindness
		WHA73.5	Strengthening efforts on food safety
		WHA73.9	Global road map on defeating meningitis by 2030
		WHA73.10	Global actions on epilepsy and other neurological disorders
	2021	WHA74(11)	The role of the global coordination mechanism on the prevention and control of noncommunicable diseases in WHO's work on multistakeholder engagement for the prevention and control of noncommunicable diseases
		WHA74(12)	Integrated people-centred eye care, including preventable vision impairment and blindness
		WHA74(13)	Global action on patient safety
		WHA74(14)	Mental health preparedness for and response to the COVID-19 pandemic
		WHA74.4	Reducing the burden of noncommunicable diseases through strengthening prevention and control of diabetes
		WHA74.5	Oral health
		WHA74.6	Strengthening local production of medicines and other health technologies to improve access
		WHA74.8	The highest attainable standard of health for persons with disabilities
		WHA74.9	Recommitting to accelerate progress towards malaria elimination
		WHA74.14	Protecting, safeguarding and investing in the health and care workforce
		WHA74.15	Strengthening nursing and midwifery: investments in education, jobs, leadership and service delivery
		WHA74.17	Ending violence against children through health systems strengthening and multisectoral approaches
