

**World Health
Organization**

Consult with health care providers and developing the national poison information center website and Learning Management System, Sri Lanka

Request for Proposals (RFP)

Bid Reference

RFP-2023-Pillar 3 (NCD) – 003

Country/Unit Name

NCD Unit, WHO, Sri Lanka

Closing Date:

25/ 07/ 2023]

The World Health Organization (WHO) is seeking offers for “**Development National Poisons Information Centre (NPIC) Website/LMS**”. **Interested entities in the field of information technology and web-development, qualifying the qualification and experience criteria stated below are invited to submit their proposals**

Your ☐ Company ☐ Institution is invited to submit a proposal for the services in response to this Request for Proposals (RFP).

WHO is a public international organization, consisting of 194 Member States, and a Specialized Agency of the United Nations with the mandate to act as the directing and coordinating authority on international health work. As such, WHO is dependent on the budgetary and extra-budgetary contributions it receives for the implementation of its activities. Bidders are, therefore, requested to propose the best and most cost-effective solution to meet WHO requirements, while ensuring a high level of service.

1. Requirements

WHO requires the successful bidder, to carry out / Consult with health care providers and develop the national poison information center Website and Learning Management System, as well as technical/ operational oversight of running of the website and learning management system during the implementation period under close guidance of the technical unit of the Ministry of Health, Sri Lanka and its identified experts.

See detailed Terms of Reference in Annex 1 for complete information.

The successful bidder shall be a ☒ for profit / ☐ not for profit institution operating in the field of Information Technology with proven expertise in developing dash boards

The successful bidder is expected to demonstrate experience and list relevant projects as follows:

Mandatory experience:

The consultancy team members should have appropriate mix of qualifications and expertise that may include the following

Mandatory qualifications:

- Proven track record of similar websites, UX/UI design and Learning Management System
- At least one expert/ team coordinator with university degree in Information Communication Technology or related field as demonstrated by submitted CV(s).
- At least one member fluent in local languages (English and Sinhala) -CV(s) and another one in (English and Tamil) – CV(s)

Mandatory experience:

- Company should have at least 5 years of experience in developing interactive websites, learning management system, database systems, data management, and data visualization

Desirable experience:

- Experience in working with UN agencies
- Proposed time frame for the project (detailed time line with steps)

The bidder is expected to follow the instructions set forth below in the submission of their proposal to WHO.

2. Proposal

The proposal and all correspondence and documents relating thereto shall be prepared and submitted in the English language.

The proposal shall be concisely presented and structured to include the following information:

WHO may, at its own discretion, extend the closing date for the submission of proposals by notifying all bidders thereof in writing before the above closing date and time.

Any proposal received by WHO after the closing date for submission of proposals may be rejected. Bidders are therefore advised to ensure that they have taken all steps to submit their proposals in advance of the above closing date and time.

The offer outlined in the proposal must be valid for a minimum period of 90 calendar days after the closing date. A proposal valid for a shorter period may be rejected by WHO. In exceptional circumstances, WHO may solicit the bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. Any bidder granting such an extension will not, however, be permitted to otherwise modify its proposal.

The bidder may withdraw its proposal any time after the proposal's submission and before the above mentioned closing date, provided that written notice of the withdrawal is received by WHO at the email address indicated above, before the closing date for submission of proposals.

No proposal may be modified after its submission, unless WHO has issued an amendment to the RFP allowing such modifications.

No proposal may be withdrawn in the interval between the closing date and the expiration of the period of proposal validity specified by the bidder in the proposal (subject always to the minimum period of validity referred to above).

WHO may, at any time before the closing date, for any reason, whether on its own initiative or in response to a clarification requested by a (prospective) bidder, modify the RFP by written amendment. Amendments could, *inter alia*, include modification of the project scope or requirements, the project timeline expectations and/or extension of the closing date for submission.

All prospective bidders that have received the RFP will be notified in writing of all amendments to the RFP and will, where applicable, be invited to amend their proposal accordingly.

All bidders must adhere to the UN Supplier Code of Conduct, which is available on the WHO procurement website at <http://www.who.int/about/finances-accountability/procurement/en/>.

4. Evaluation

Before conducting the technical and financial evaluation of the proposals received, WHO will perform a preliminary examination of these proposals to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the proposals are generally in order. Proposals which are not in order as aforesaid may be rejected.

The evaluation panel will evaluate the technical merits of all the proposals which have passed the preliminary examination of proposals based on the following weighting:

Technical Weighting:	70% of total evaluation
Financial Weighting:	30 % of total evaluation

The technical evaluation of the proposals will include:

Quality of the overall proposal and implementation plan in line with TORs detailed in Annex 1	20
---	----

- Confidentiality undertaking (please complete Annex 2)
- Presentation of you / your Company / Institution (*please complete Annex 3*)
- Proposed Approach/Methodology
- Proposed time line
- Financial proposal -
Financial proposal should include the total estimated budget with a detailed breakdown. Following components
 - Resource fee for the experts
 - Expenses for consultative meetings
 - Expenses for validation work shops including resource fee for the experts
 - Back-end support/ management of website for 6 months from commencement of website (expected within one month of issuance of contract)
 - Stationery/ supplies (excludes IT hardware/ laptops etc)
 - Any other costs

Information which the bidder considers confidential, if any, should be clearly marked as such.

3. Instructions to Bidders

The bidder must follow the instructions set forth in this RFP in the submission of their proposal to WHO.

A prospective bidder requiring clarification on technical, contractual or commercial matters may notify WHO via email at the following address no later than than **20 July 2023**:

Email for submissions of all queries: sesrlprocurement@who.int
(use Bid reference in subject line)

A consolidated document of WHO's responses to all questions (including an explanation of the query but without identifying the source of enquiry) will be sent to all prospective bidders who have received the RFP.

From the date of issue of this RFP to the final selection, contact with WHO officials concerning the RFP process shall not be permitted, other than through the submission of queries and/or through a possible presentation or meeting called for by WHO, in accordance with the terms of this RFP.

The bidder shall submit, in writing, the complete proposal to WHO, no later than **25 July 2023 at 1600 hours Sri Lanka time** ("the closing date"), by email at the following email address:

sesrlprocurement@who.int
(use Bid reference in subject line)

To be complete, a proposal shall include:

- A technical proposal, as described above and in the annexed detailed TORs;
 - A Financial proposal that should be submitted as a separate document;
 - All other prerequisites as per annexes 2-4
1. Annexes 2 & 3, duly completed and signed by a person or persons duly authorized to represent the bidder, to submit a proposal and to bind the bidder to the terms of this RFP.

Each proposal shall be marked Ref: **RFP-2023-Pillar 3 (NCD) – 003** .

Qualifications and competencies of the team proposed for the assignment	15
At least 5 years of experience in developing interactive websites, learning management system, database systems, data management, and data visualization as evident through shared portfolio	20
Proposed time frame for the project	10
Experience in working with UN agencies	05
TOTAL	70

The number of points which can be obtained for each evaluation criterion is specified above and indicates the relative significance or weight of the item in the overall evaluation process.

A minimum of [49] points is required to pass the technical evaluation.

Please note that WHO is not bound to select any bidder and may reject all proposals. Furthermore, since a contract would be awarded in respect of the proposal which is considered most responsive to the needs of the project concerned, due consideration being given to WHO's general principles, including the principle of best value for money, WHO does not bind itself in any way to select the bidder offering the lowest price.

WHO may, at its discretion, ask any bidder for clarification of any part of its proposal. The request for clarification and the response shall be in writing. No change in price or substance of the proposal shall be sought, offered or permitted during this exchange.

NOTE: Individual contact between WHO and bidders is expressly prohibited both before and after the closing date for submission of proposals.

5. Award

WHO reserves the right to:

1. Award the contract to a bidder of its choice, even if its bid is not the lowest;
2. Award separate contracts for parts of the work, components or items, to one or more bidders of its choice, even if their bids are not the lowest;
3. Accept or reject any proposal, and to annul the solicitation process and reject all proposals at any time prior to award of contract, without thereby incurring any liability to the affected bidder or bidders and without any obligation to inform the affected bidder or bidders of the grounds for WHO's action;
4. Award the contract on the basis of the Organization's particular objectives to a bidder whose proposal is considered to be the most responsive to the needs of the Organization and the activity concerned;
5. Not award any contract at all.

WHO has the right to eliminate bids for technical or other reasons throughout the evaluation/selection process. WHO shall not in any way be obliged to reveal, or discuss with any bidder, how a proposal was assessed, or to provide any other information relating to the evaluation/selection process or to state the reasons for elimination to any bidder.

NOTE: WHO is acting in good faith by issuing this RFP. However, this document does not oblige WHO to contract for the performance of any work, nor for the supply of any products or services.

At any time during the evaluation/selection process, WHO reserves the right to modify the scope of the work, services and/or goods called for under this RFP. WHO shall notify the change to only those bidders who have not been officially eliminated due to technical reasons at that point in time.

WHO reserves the right at the time of award of contract to extend, reduce or otherwise revise the scope of the work, services and/or goods called for under this RFP without any change in the base price or other terms and conditions offered by the selected bidder.

WHO also reserves the right to enter into negotiations with one or more bidders of its choice, including but not limited to negotiation of the terms of the proposal(s), the price quoted in such proposal(s) and/or the deletion of certain parts of the work, components or items called for under this RFP.

Within 30 days of receipt of the contract between WHO and the successful bidder (the "Contract"), the successful bidder shall sign and date the Contract and return it to WHO according to the instructions provided at that time. If the bidder does not accept the Contract terms without changes, then WHO has the right not to proceed with the selected bidder and instead contract with another bidder of its choice. The Contract will include, without limitation, the provisions set forth in Annex 3.

Any and all of the contractor's (general and/or special) conditions of contract are hereby explicitly excluded from the Contract, i.e., regardless of whether such conditions are included in the Contractor's offer, or printed or referred to on the Contractor's letterhead, invoices and/or other material, documentation or communications.

We look forward to receiving your response to this RFP.

Yours sincerely,

Amit Aggarwal
Administrative Officer

**Annexes**

1. Detailed Terms of Reference
2. Confidentiality Undertaking
3. Vendor Information Form
4. Contractual provisions

Annex 1: Detailed Terms of Reference

1. **Purpose of the RFP** – To develop National Poisons Information Centre (NPIC) website. The selected bidder is expected to support a website development process from conceptual modelling to development of website, as well as technical/ operational oversight of running of the website during the implementation period under close guidance of the technical unit of the Ministry of Health, Sri Lanka and its identified experts.
2. **Background** :The main role of the National Poisons Information Centre (NPIC) is to provide information, guidance and advice to health care professionals and public about acute poisoning situations. This involves medicines, chemicals, hazardous creatures (e.g., spiders, snakes, jellyfish), plants and fungi. The NPIC gives information, guidance and advice on what to do in situations of poisoning or where poisoning might occur. It also maintains an internet database information on chemicals, medicines, plants, and animals; provides prevention information packs to parents, schools, and other organizations; monitors poisoning statistics to identify targeted prevention strategies. There is a need to develop a new Health Information Website for NPIC.
3. **Objective:** - General Objective
To design and develop a Health Information website and LMS to deliver health information to the public and medical professionals in Sri Lanka.
Specific Objectives
 - To design a health information website and LMS that provides timely, accurate, and reliable health information.
 - To arrange three expert meetings with NPIC and the counterparts (invited by NPIC -10) to discuss and develop website and LMS
 - To make freely available (without user registration or login) content designed for the public.
 - To make available content designed for professionals (with user registration and login).
 - To make available an online knowledge assessment module (eight) will be provided by NPIC for each content developed for medical professionals leading to earning a digital certificate once completed successfully.
4. **Targeted Groups**
The above website targets the Sri Lankan public and medical professionals. The content developed for the public needed to be maintained in three languages (Sinhala, Tamil, and English). The content developed for medical professionals must be maintained in English.
5. **Expected structure of the site**
(Details attached in the ToR)
6. **Expected qualifications and experience for the vendor**
The bidder team members should have appropriate mix of qualifications and expertise that may include the following
6.1. Mandatory qualifications:
 - Proven track record of similar websites, UX/UI design and Learning Management System (Sample /link attached)
 - At least one expert/ team coordinator with university degree in Information Communication Technology or related field as demonstrated by submitted CV(s).

Country/Unit Name WHO, Sri Lanka

- At least one member fluent in local languages (English and Sinhala) -CV(s) and another one in (English and Tamil) – CV(s)

•

6.2. Mandatory experience:

- Should have at least 5 years of experience in developing interactive websites, learning management system, database systems, data management, and data visualization

6.3. Desirable experience:

- Experience in working with UN agencies

7. Timeline and Work Schedule

The project should be completed within a period of 45 days from the date of offering the tender.

A detailed timeline which consists of each step of the development process should be prepared and submitted by the vendor.

7. Activity Coordination & Reporting

Technical Officer:	T Suveendran / NPO / MH	Email:	suveendrant@who.int
For the purpose of:	Clarifications of on the facilities to conduct the workshop – Reporting		
Administrative Officer:	Mr Amit Aggarwal / Administrative Officer / WHO	Email:	aggarwalam@who.int
For the purpose of:	Financial management of the contract		

8. Place of assignment - Colombo.

Annex 2: Confidentiality Undertaking

1. The World Health Organization (WHO), acting through its Department of **NCD, WHO/SRL**, has access to certain information relating to the technical products and deliverables under this project which it considers to be proprietary to itself or to entities collaborating with it (hereinafter referred to as "the Information").
2. WHO is willing to provide the Information to the Undersigned for the purpose of allowing the Undersigned to prepare a response to the Request for Proposal (RFP) for "**NCD, WHO/SRL**" ("the Purpose"), provided that the Undersigned undertakes to treat the Information as confidential and proprietary, to use the Information only for the aforesaid Purpose and to disclose it only to persons who have a need to know for the Purpose and are bound by like obligations of confidentiality and non-use as are contained in this Undertaking.
3. The Undersigned undertakes to regard the Information as confidential and proprietary to WHO or parties collaborating with WHO, and agrees to take all reasonable measures to ensure that the Information is not used, disclosed or copied, in whole or in part, other than as provided in paragraph 2 above, except that the Undersigned shall not be bound by any such obligations if the Undersigned is clearly able to demonstrate that the Information:
 1. was known to the Undersigned prior to any disclosure by WHO to the Undersigned (as evidenced by written records or other competent proof);
 2. was in the public domain at the time of disclosure by or for WHO to the Undersigned;
 3. becomes part of the public domain through no fault of the Undersigned; or
 4. becomes available to the Undersigned from a third party not in breach of any legal obligations of confidentiality (as evidenced by written records or other competent proof).
5. The Undersigned further undertakes not to use the Information for any benefit, gain or advantage, including but not limited to trading or having others trading in securities on the Undersigned's behalf, giving trading advice or providing Information to third parties for trade in securities.
6. At WHO's request, the Undersigned shall promptly return any and all copies of the Information to WHO.
7. The obligations of the Undersigned shall be of indefinite duration and shall not cease on termination of the above mentioned RFP process.
8. Any dispute arising from or relating to this Undertaking, including its validity, interpretation, or application shall, unless amicably settled, be subject to conciliation. In the event of the dispute is not resolved by conciliation within thirty (30) days, the dispute shall be settled by arbitration. The arbitration shall be conducted in accordance with the modalities to be agreed upon by the Undersigned and WHO or, in the absence of agreement within thirty (30) days of written communication of the intent to commence arbitration, with the rules of arbitration of the International Chamber of Commerce. The Undersigned and WHO shall accept the arbitral award as final.
9. Nothing in this Undertaking, and no disclosure of Information to the Undersigned pursuant to its terms, shall constitute, or be deemed to constitute, a waiver of any of the privileges and immunities enjoyed by WHO under national or international law, or as submitting WHO to any national court jurisdiction.

Annex 4: Contractual Provisions

Within 30 days of receipt of the contract between WHO and the successful bidder (the “Contract”), the successful bidder shall sign and date the Contract and return it to WHO according to the instructions provided at that time. If the bidder does not accept the Contract terms without changes, then WHO has the right not to proceed with the selected bidder and instead contract with another bidder of its choice. The Contract will include, without limitation, the provisions set forth below (with the successful bidder referred to below as the “Contractor”):

1. **Compliance with WHO Codes and Policies.** By entering into the Contract, the Contractor acknowledges that it has read, and hereby accepts and agrees to comply with, the WHO Policies (as defined below).

In connection with the foregoing, the Contractor shall take appropriate measures to prevent and respond to any violations of the standards of conduct, as described in the WHO Policies, by its employees and any other persons engaged by the Contractor to perform any services under the Contract.

Without limiting the foregoing, the Contractor shall promptly report to WHO, in accordance with the terms of the applicable WHO Policies, any actual or suspected violations of any WHO Policies of which the Contractor becomes aware.

For purposes of the Contract, the term “WHO Policies” means collectively: (i) the WHO Code of Ethics and Professional Conduct; (ii) the WHO Policy on Sexual Exploitation and Abuse Prevention and Response; (iii) the WHO policy on Preventing and Addressing Abusive Conduct; (iv) the WHO Code of Conduct for responsible Research; (v) the WHO Policy on Whistleblowing and Protection Against Retaliation; and (vi) the UN Supplier Code of Conduct, in each case, as amended from time to time and which are publicly available on the WHO website at the following links: <http://www.who.int/about/finances-accountability/procurement/en/> for the UN Supplier Code of Conduct and at <http://www.who.int/about/ethics/en/> for the other WHO Policies.

2. **Zero tolerance for sexual exploitation and abuse.** WHO has zero tolerance towards sexual exploitation and abuse. In this regard, and without limiting any other provisions contained herein:

(i) each legal entity Contractor warrants that it will: (i) take all reasonable and appropriate measures to prevent sexual exploitation or abuse as described in the WHO Policy on Sexual Exploitation and Abuse Prevention and Response by any of its employees and any other persons engaged by it to perform any services under the Contract; and (ii) promptly report to WHO and respond to, in accordance with the terms of the Policy, any actual or suspected violations of the Policy of which the contractor becomes aware; and

(ii) each individual Contractor warrants that he/she will (i) not engage in any conduct that would constitute sexual exploitation or abuse as described in the WHO Policy on Sexual Exploitation and Abuse Prevention and Response; and (ii) promptly report to WHO, in accordance with the terms of the Policy, any actual or suspected violations of the Policy of which the Contractor becomes aware.

3. **Tobacco/Arms Related Disclosure Statement.** The Contractor may be required to disclose relationships it may have with the tobacco and/or arms industry through completion of the WHO Tobacco/Arms Disclosure Statement. In the event WHO requires completion of this Statement, the Contractor undertakes not to permit work on the Contract to commence, until WHO has assessed the disclosed information and confirmed to the Contractor in writing that the work can commence.

4. **Anti-Terrorism and UN Sanctions; Fraud and Corruption.** The Contractor warrants for the entire duration of the Contract that:

- i. it is not and will not be involved in, or associated with, any person or entity associated with terrorism, as designated by any UN Security Council sanctions regime, that it will not make any payment or provide any other support to any such person or entity and that it will not enter into any employment or subcontracting relationship with any such person or entity;
- ii. it shall not engage in any illegal, corrupt, fraudulent, collusive or coercive practices (including bribery, theft and other misuse of funds) in connection with the execution of the Contract; and
- iii. the Contractor shall take all necessary precautions to prevent the financing of terrorism and/or any illegal corrupt, fraudulent, collusive or coercive practices (including bribery, theft and other misuse of funds) in connection with the execution of the Contract.

Any payments used by the Contractor for the promotion of any terrorist activity or any illegal, corrupt, fraudulent, collusive or coercive practice shall be repaid to WHO without delay.

5. **Breach of essential terms.** The Contractor acknowledges and agrees that each of the provisions of paragraphs 1, 2, 3 and 4 above constitutes an essential term of the Contract, and that in case of breach of any of these provisions, WHO may, in its sole discretion, decide to:

- i. terminate the Contract, and/or any other contract concluded by WHO with the Contractor, immediately upon written notice to the Contractor, without any liability for termination charges or any other liability of any kind; and/or
- ii. exclude the Contractor from participating in any ongoing or future tenders and/or entering into any future contractual or collaborative relationships with WHO.

WHO shall be entitled to report any violation of such provisions to WHO's governing bodies, other UN agencies, and/or donors.

6. **Use of WHO Name and Emblem.** Without WHO's prior written approval, the Contractor shall not, in any statement or material of an advertising or promotional nature, refer to the Contract or the Contractor's relationship with WHO, or otherwise use the name (or any abbreviation thereof) and/or emblem of the World Health Organization.

7. **Assurances regarding procurement.** If the option for payment of a maximum amount applies, to the extent the Contractor is required to purchase any goods and/or services in connection with its performance of the Contract, the Contractor shall ensure that such goods and/or services shall be procured in accordance with the principle of best value for money. "Best value for money" means the responsive offer that is the best combination of technical specifications, quality and price.

8. **Audit.** WHO may request a financial and operational review or audit of the work performed under the Contract, to be conducted by WHO and/or parties authorized by WHO, and the Contractor undertakes to facilitate such review or audit. This review or audit may be carried out at any time during the implementation of the work performed under the Contract, or within five years of completion of the work. In order to facilitate such financial and operational review or audit, the Contractor shall keep accurate and systematic accounts and records in respect of the work performed under the Contract.

The Contractor shall make available, without restriction, to WHO and/or parties authorized by WHO:

- i. the Contractor's books, records and systems (including all relevant financial and operational information) relating to the Contract; and
- ii. reasonable access to the Contractor's premises and personnel.

The Contractor shall provide satisfactory explanations to all queries arising in connection with the aforementioned audit and access rights.

WHO may request the Contractor to provide complementary information about the work performed under the Contract that is reasonably available, including the findings and results of an audit (internal or external) conducted by the Contractor and related to the work performed under the Contract.

9. **Publication of Contract.** Subject to considerations of confidentiality, WHO may acknowledge the existence of the Contract to the public and publish and/or otherwise publicly disclose the Contractor's name and country of incorporation, general information with respect to the work described herein and the Contract value. Such disclosure will be made in accordance with WHO's Information Disclosure Policy and shall be consistent with the terms of the Contract.
