

***Corrigenda***

**WHO Report on the Global Tobacco Epidemic, 2009**

Main body of report

Page 20 Last sentence of column two should be "31% of all deaths occur among children. Among adults, 64% occur in women."

Appendix I

Table 1.0.3, page 86: India: P cell colour should be mid-blue

Table 1.0.6, page 92: Viet Nam: Adult daily smoking prevalence (2006) cell colour should be lilac, value in cell should be 20%

Appendix II

Table 2.1.3, page 101: India: Public transport should be "Yes"

Table 2.2.3, page 112: India: Number of places smoke-free should be "6"

Table 2.2.3, page 113: India: Dedicated funds for enforcement should be "Yes", Subnational bans, authority exists should be "Yes"

Table 2.1.6, page 107: Malaysia: Public transport should be "No"

Table 2.2.6, page 118: Malaysia: Number of places smoke-free should be "0"

Appendix IV

Table 4.1.0, page E5: India: Public transport should be "Yes"

Table 4.1.0, page E7: Malaysia: Public transport should be "No"

Table 4.2.0, page E12: India: Number of places smoke-free should be "6"

Table 4.2.0, page E14: Malaysia: Number of places smoke-free should be "0"

Table 4.2.0, page E13: India: Dedicated funds for enforcement should be "Yes", Subnational bans, authority exists should be "Yes"

Table 4.1.3, page E105: India: Public transport should be "Yes"

Table 4.2.3, page E106: India: Number of places smoke-free should be "6"

Table 4.2.3, page E107: India: Dedicated funds for enforcement should be "Yes", Subnational bans, authority exists should be "Yes"

Table 4.1.6, page E153: Malaysia: Public transport should be "No"

Table 4.2.6, page E154: Malaysia: Number of places smoke-free should be "0"

Table 4.8.0, page E61: Panama: Ad valorem excise 2008 and 2007 should be "28%", Import duties 2008 should be "2%" and Import duties 2007 should be "3%", Total tax 2008 and 2007 should be "44%"

**Corrigenda**

**WHO Report on the Global Tobacco Epidemic, 2009**

Table 4.8.0, page E61: Peru: Ad valorem excise 2008 and 2007 should be "25%", Import duties 2008 and 2007 should be "2%", Total tax 2008 and 2007 should be "43%"

Appendix IV *continued*

Table 4.8.0, page E63: Syrian Arab Republic: Specific excise for 2008 and 2007 should be "0%", Ad valorem excise 2008 and 2007 should be "12%", Total tax 2008 and 2007 should be "30%"

Table 4.8.2, page E101: Panama: Import duties 2008 should be "2%" and Import duties 2007 should be "3%", Total tax 2008 should be "44%"

Table 4.8.2, page E101: Peru: Import duties 2008 and 2007 should be "2%"

Table 4.8.5, page E149: Syrian Arab Republic: Specific excise for 2008 and 2007 should be "0%"

Table 4.9.0, page E67: Ghana: Overall national budget for tobacco control activities in reported currency should be "25 000", Currency reported should be "GHS", In US\$ at official exchange rate should be "19 750"

Table 4.9.1, page E87: Ghana: Overall national budget for tobacco control activities in reported currency should be "25 000", Currency reported should be "GHS", In US\$ at official exchange rate should be "19 750"
